

## **Kushagra Nandan, Co- Founder of SunSource Energy bags BW Businessworld 40 Under 40 Award**

- **Mr. Kushagra Nandan is the only entrepreneur from the renewable energy sector to be felicitated with the award this year**

**Noida, October 24<sup>th</sup> 2019:** SunSource Energy, a leading provider of solar-based energy and storage solutions to commercial and industrial organizations, announced that its **Co-founder and President, Mr. Kushagra Nandan** has been felicitated with the prestigious **40 under 40 Award** at the **3<sup>rd</sup> edition of the BW Businessworld 40 under 40 Awards and Summit**. Mr Nandan is the **only leader from the renewable energy industry** to be featured in this decorated list of 40 most innovative and impactful change-makers under the age of 40. The winners were selected by a respected jury that had representation from across the industry.

Speaking on this occasion, **Mr. Kushagra Nandan, Co-Founder, and President, SunSource Energy** said “It’s a proud moment for Solar Industry. This award not only acknowledges SunSource Energy’s fantastic journey till now, but also highlights how far the Indian solar industry has come over the last decade.”

“This has been a journey of learning, exploring and deep lessons and it wouldn’t have been possible without the hard work of each and every one at SunSource, specially, Adarsh Das, Co-Founder SunSource Energy, for being the ‘engine room’ and sharing the same vision. This is a proud moment for all of us at SunSource Energy, as we step closer towards our commitment to make lives easier and inspire people along the way towards a more sustainable and renewable future.” He added.

**SunSource, an investee company of the Neev Fund – a private equity firm backed by State Bank of India (SBI) and the UK’s Department for International Development (DFID)**, is working on multiple hybrid solar + storage projects from Leh to Andaman across varied geographies and climate conditions and has one of the largest solar + storage portfolios in India. SunSource’s customers include large commercial companies, manufacturing companies, India’s largest oil company, airports, leading education institutes, textile companies and warehouses. The company, earlier this year won E&E Global Environment Award for its contribution to the environment by proactively taking up solar PV waste management for its PV waste through authorized partners.
